User: Write to hiring manager.

AI:

Subject: Software Engineer Application

Hi [Founder of Company],

Dear Hiring Manager,

Maternal mortality is a solvable problem. Babyscripts is one of the few organizations treating it that way, building data-driven, ...

Tell me how you want your letter to be like:
tone, content highlights, etc (70% blurry)

User: Write to the founder. Stress on the 2 AI projects I did, plus I'm planning to work on email generator so this is perfect opportunity

AI:

Hi [Founder of Company],

I built two AI agents from scratch and shipped them to production.

AuTuber is an agentic stage hand ...
